The Retreat Hotel was created under Diana Stobo's Guru and chef vision of healthy feeding where she found the perfect location in the quartz mountains in Altos del Monte, simulating a balcony to the Pacific Ocean with panoramic views extending more than 60 miles. The Retreat is more than a luxury wellness destination, it is a heavenly environment, a space to let go of the stresses of life and create the feeling within you that you have always dreamed of. Peace, harmony, and tranquility within are the keys to a happy, healthy and youthful life.
